Dear Ms. Jensen:

This is a request to extend the variance for the Voyage of the Little Mermaid laser light show. The variance number and accession numbers are as follows:

Variance Number 91V-0426  
Accession Number 91A2054-02

I would like to request the extension for the maximum period allowed as there are no plans to terminate the laser light show.

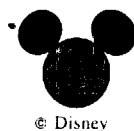

As always, if you should have any questions, please don't hesitate to contact me at (407) 938-2447.

Sincerely,

Tony Zmorski, CSP
